PROFESSIONAL SUMMARY

Computer Science and Engineering undergraduate specializing in **Artificial Intelligence and Machine Learning**, with strong foundations in Pytho, Data Structures & Algorithms, Object-Oriented Programming, and DBMS. Experienced in developing Machine Learning projects and solving **80+ coding problems**. Seeking to apply strong problem-solving and software development skills in a Trainee Software Engineer role.

EDUCATION

2023-2027
Bihar Engineering University

Bachelor of Technology (B.Tech)
I am currently pursuing a Bachelor of Technology (B.Tech) in Computer Science and Engineering with a specialization in **Artificial Intelligence and Machine Learning** from Government Engineering College, Jamui

2021-2023
C.M.Science College Darbhanga

I.S.C
I completed my Intermediate (12th) in the Science stream from C.M. Science College, Darbhanga

PROJECTS

Image Classification using CNN & Transfer Learning

- Developed an image classification model using CNN and Transfer Learning.
- Applied image preprocessing and data augmentation to improve training quality.
- Performed hyperparameter tuning to improve model performance.

Technologies: Python, TensorFlow, Keras, CNN, Transfer Learning, OpenCV, NumPy

Next Word Prediction using LSTM

- Developed a Next Word Prediction model using Long Short-Term Memory (LSTM) networks.
- Preprocessed text data through tokenization, sequence generation, and padding.

Technologies: Python, TensorFlow, Keras, LSTM

TECHNICAL SKILLS

Programming: Python, C, C++, JavaScript,Node.js
Machine Learning: Scikit-learn, KNN, Decision Trees, Random Forest
Deep Learning: TensorFlow, Keras, PyTorch, CNN, RNN, LSTM, ANN, Transfer Learning
Data Science: NumPy, Pandas, Matplotlib, Seaborn
Web Development: HTML, CSS, React,JavaScript
Developer Tools: Git, GitHub, VS Code, Jupyter Notebook, Google Colab, Anaconda
Core CS: Data Structures & Algorithms, OOP, DBMS

INTERNSHIP

EI Systems

- Completed internship focused on Python programming and practical implementation.
- Strengthened problem-solving skills through hands-on coding tasks and mini projects.

CERTIFICATIONS

- CCNA (Cisco Certified Network Associate) – Cisco Systems
- Python Programming Certification – Cisco Systems
- HTML,Python Certification – Spoken Tutorial, IIT Bombay
- Web Development (HTML, CSS, JavaScript) Certification – Prashant Sir

ACHIEVEMENTS & LEADERSHIP

- **Winner –** Algoridle Coding Competition, Government Engineering College, Jamui
- **Winner (1st Position) –** SIH Internal College Hackathon
- **Secured 1st Position-**Inter College Carrom Competition
- **Fest Coordinator-** actively managed event planning, team coordination
- **Core Member –** Code Club, Government Engineering College Jamui
- **CODING PLATFORMS -** Solved 80+ problem on leetcode
